

The logo for Solid Rock International is a circular orange emblem. It features a white silhouette of a mountain range with three peaks. Below the mountains, the words "SOLID ROCK" are written in a large, bold, white sans-serif font. Underneath that, the word "INTERNATIONAL" is written in a smaller, white sans-serif font.

A yellow rectangular sticky note is pinned to the bottom right of the page with a green pushpin. It contains the text "ANNUAL REPORT 2025-2026" in a black, handwritten-style font.

**ANNUAL REPORT
2025-2026**

FROM OUR PRESIDENT

STACEY REED
VISITING A LOCAL BARRIO

A Year of God's Faithfulness and Growth

Dear Friends of Solid Rock International,

As we reflect on the past year at Solid Rock International, we are filled with gratitude for the many ways God continues to work through this ministry. Every milestone represents people served, lives transformed, relationships strengthened, and opportunities to share the love of Christ.

In 2025, Solid Rock celebrated several significant milestones. We successfully completed our annual audit in July and were honored to receive our 13th consecutive 4-Star Rating from Charity Navigator, reflecting our ongoing commitment to financial accountability, transparency, and faithful stewardship.

Our ministry in the Dominican Republic continued to reach children and families in meaningful ways. During the summer, Vacation Bible School welcomed an average of 70 children each day over 20 days in 10 different communities, providing opportunities for children to experience the love of Jesus through biblical teaching, meaningful relationships, and engaging activities led by faithful volunteers and mission teams.

We also took an exciting step toward the future with the launch of our From Seed to Service Campaign, a two-year initiative with a goal of raising \$1.2 million to strengthen and expand the work God has entrusted to Solid Rock International.

This year also marked a season of leadership growth within our Solid Rock family. I was humbled and honored to begin serving as Board President, and by the end of 2025, we welcomed two new missionaries to the SRI team, further strengthening our ministry and expanding our capacity to serve.

As we entered 2026, God continued to open new doors. Our dental program expanded, allowing us to provide greater access to much-needed care. At the Christian Clinic for Integral Health (CCSI), the arrival of new CT and C-arm equipment significantly increased our diagnostic capabilities, enabling our medical team to better care for patients and meet the growing healthcare needs of the community.

We were also blessed to welcome Alejandro and Hannah Alcantara as our new In-Country Directors. Their leadership, servant hearts, and deep love for the Dominican people will be instrumental as Solid Rock continues to grow and serve. Alejandro and Hannah, welcome to the Solid Rock family—we are grateful to partner with you in this ministry.

As we celebrate these highlights, we recognize that none of this happens through one person or one team. God continues to bring together missionaries, staff, churches, volunteers, medical professionals, mission teams, donors, prayer partners, and faithful friends who each play a vital role in advancing His Kingdom.

While we celebrate what God has done, we also look ahead with anticipation. As Solid Rock International continues to grow, our prayer is that we remain faithful to His leading—serving with humility, stewarding wisely the resources He has entrusted to us, and building Christ-centered relationships that create lasting impact for generations to come.

Thank you for praying, giving, serving, and walking alongside Solid Rock International. We are deeply grateful for your partnership and faithfulness. Together, we rejoice in all that God has accomplished, and we eagerly look forward to all He has yet to do.

To God be the glory!

With gratitude,

Stacey Reed

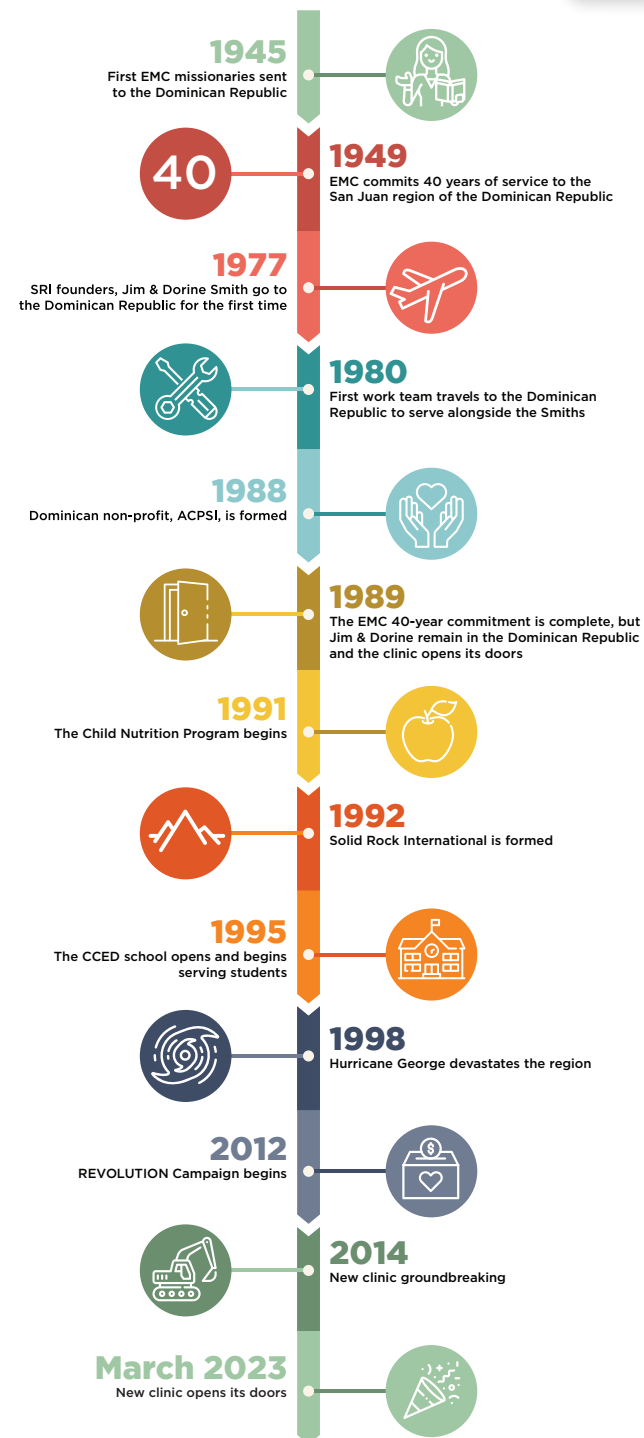

Stacey Reed

Board President

Solid Rock International

WHO WE ARE

Solid Rock International is a Christian non-profit 501(c)3 organization focused on transforming the body, mind, and soul of the poor in the Dominican Republic. SRI acknowledges that there is so much more to wellness than just physical health. We believe we are called by God's Word to care for the poor, and by doing so, are serving God himself. Jesus said, ***"For I was hungry, and you fed me. I was thirsty, and you gave me a drink. I was a stranger, and you invited me into your home. I was naked, and you gave me clothing. I was sick, and you cared for me. I was in prison, and you visited me."*** (Matthew 25:35-36)

In the early 1990s, SRI founders expressed a desire to holistically serve the poor of the Dominican Republic by focusing on all aspects of health. They gave thanks to God for the ability to use their gifts, skills, and resources to provide health to the sick, bread to the hungry, education to the illiterate, assistance to the needy, and proclamation of the Kingdom of God. Today, the mission of SRI remains the same, and we praise God for continued opportunities to live out the vision of our founders.

TRANSFORMING LIVES

"WE BELIEVE WE ARE CALLED BY GOD'S WORD TO CARE FOR THE POOR, AND BY DOING SO, ARE SERVING GOD HIMSELF."

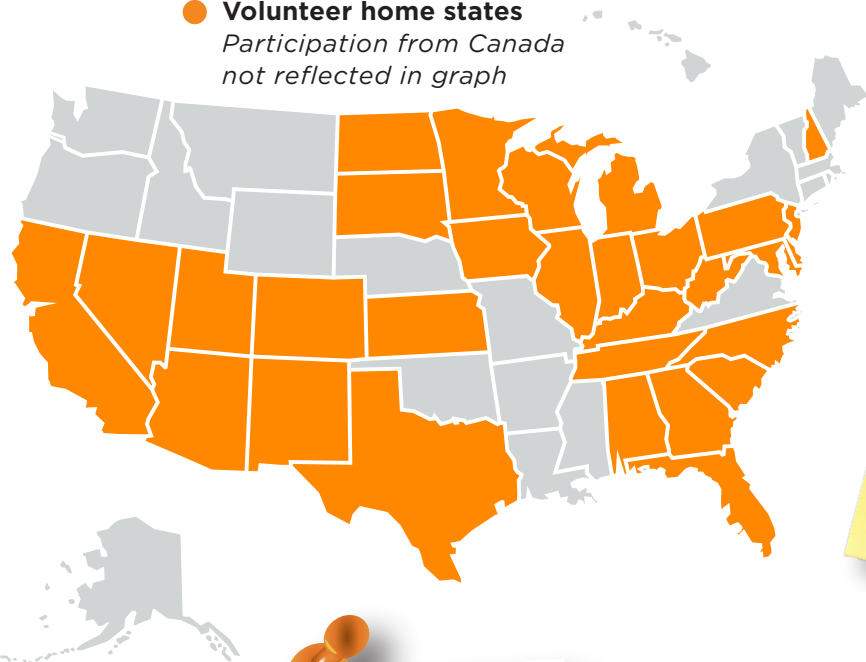

THE MISSION EXPERIENCE

For more than 30 years, SRI mission teams have come from all over the United States and Canada to serve in the San Juan region of the DR. Many of our volunteers are committed to providing ongoing support to the Dominican people, and therefore return regularly.

Countless lives have been blessed through the teams' dedicated time and generous donations; however, any team member will tell you that an SRI mission trip doesn't come without its own personal blessing. Making new friends, experiencing a new culture, and seeing a different lifestyle have a remarkable impact as volunteers reflect and discover how God is guiding them in their own lives.

Thank you to all who go, send, and pray for our teams as we each fulfill a unique role in missions as the body of Christ.

How Teams are Serving

- Outpatient
- Construction
- Ministry
- Surgical
- Education

SRI aims to be an example of Christ's love by living out its vision of transforming the body, mind, and soul of the poor in the Dominican Republic. Mission teams and SRI supporters are able to act as the hands and feet of Jesus by caring for the physical, educational, and spiritual needs of many through a wide variety of opportunities. Partnership with local evangelical churches and Christian organizations in their work providing for the community is essential for addressing a broad spectrum of needs. Short-term mission teams participate in this work by using their skills, talents, and giftings to carry out the vision of SRI.

GUESTHOUSE GROUP

THE CHRISTIAN CLINIC FOR INTEGRAL HEALTH

The Christian Clinic for Integral Health (CCSI) first opened its doors in 1989 and has faithfully served the people of the San Juan region ever since. Today, the clinic operates as a fully functioning, Dominican-led medical facility, and Solid Rock International is grateful for its longstanding partnership that allows medical mission teams to serve alongside local healthcare professionals in providing compassionate, Christ-centered care.

During its third year of service at the new facility, CCSI has experienced remarkable growth. During this time, the clinic has expanded both its operational capacity and the range of services available to patients. Through partnerships with Dominican and North American medical professionals, new surgical specialties have been introduced, increasing access to quality healthcare throughout the region.

A continued emphasis has been placed on education and professional development, with training opportunities in biomedical technology, laboratory services, blood banking, maternity care, emergency medicine, and nursing. Preventative healthcare has also become an important priority. The clinic has hosted community outreach events, including free PSA screenings and educational seminars focused on colon cancer awareness, helping promote early detection and healthier communities.

Today, CCSI continues to grow as a place where physical, emotional, and spiritual needs are met. Through the faithful partnership of supporters, volunteers, and healthcare professionals, the clinic is bringing hope and healing to thousands of individuals and families across the San Juan region.

The Christian Clinic for Integral Health is supported by a dedicated team of 116 staff members, including 11 administrative personnel who help oversee the daily operations of the facility. In addition, 45 physicians provide their expertise across 27 medical specialties, allowing the clinic to offer comprehensive, high-quality care to patients throughout the region. This growing team reflects the clinic's ongoing commitment to expanding access to compassionate, Christ-centered healthcare for the communities it serves.

FROM SEED TO SERVICE UPDATE

This past year has been marked by meaningful progress and clear reminders of God's faithfulness. As the Christian Clinic for Integral Health (CCSI) continues to grow, we have witnessed significant milestones that are strengthening the clinic's ability to provide quality healthcare while moving toward long-term sustainability.

In October 2025, Solid Rock International launched the From Seed to Service Campaign, a two-year initiative to raise \$1.2 million—\$600,000 designated for diagnostic equipment and \$600,000 for operational support. The campaign was established to provide the resources needed to sustain clinic operations, maintain essential medical equipment, and invest in future diagnostic services that will expand the clinic's impact throughout the San Juan region.

This year brought exciting progress toward those goals. The clinic celebrated the addition of a new ultrasound machine, followed by the arrival of a CT scanner and C arm made possible through the extraordinary generosity of a donor. These advancements represent far more than new technology—they provide patients with access to critical diagnostic services close to home while creating new opportunities for the clinic to generate sustainable revenue.

ULTRASOUND

CT SCAN

Based on conservative projections, these expanded diagnostic capabilities are expected to significantly strengthen the clinic's financial stability in the coming years, allowing CCSI to continue growing its ministry of compassionate, Christ-centered healthcare. Every investment made through the From Seed to Service Campaign is helping lay the foundation for a healthier future, ensuring the clinic can continue serving individuals and families for generations to come.

We are grateful for the many faithful supporters whose generosity is helping transform a seed planted years ago into a ministry that continues to flourish for the glory of God.

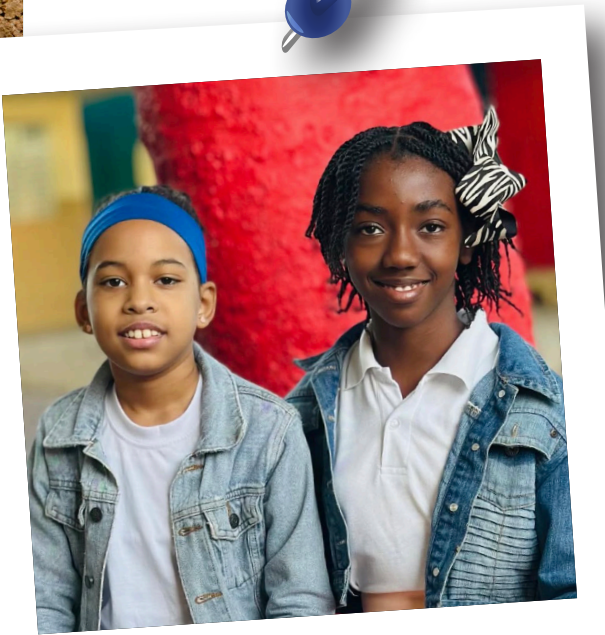

STUDENT SPONSORSHIP PROGRAM

The gift of education changes lives and helps bring children out of poverty by providing hope, opportunity, and knowledge that will last a lifetime. The Christian schools sponsored by SRI offer an excellent education in a Christ-centered environment, providing students with skills to create a future of success.

SRI works hard to make sure student sponsors receive frequent, meaningful, and accurate information regarding their student(s). In January, handwritten student letters are sent out as well as updated school photos. In June, sponsors receive an end-of-year letter with reports and pictures from the completed school year.

An additional blessing of sponsorship through SRI is the opportunity to meet your sponsored student and his or her family during an SRI short-term mission trip. Sponsors who come to serve regularly enjoy forming relationships, visiting together, and watching their sponsored students grow up over the years.

TRANSFORMING MINDS

Sponsored Schools

Christian Center for Educational Development

Located in San Juan de la Maguana about a mile from the Christian Clinic for Integral Health and the guesthouse, the CCED school provides education from preschool to grade twelve, including vocational and specialized training for students and adults in the community. Established in 1995, this was the first SRI-affiliated school and is run by Principal Simon Sanchez.

Christian Center for Integral Education

Directed by Pastor Morales Ogando and Carlos Ogando, the CCIE school is located in El Cercado next to a satellite location of the clinic and home of the Child Nutrition Program. This school provides education for children in preschool through grade six.

Eastern Evangelical School

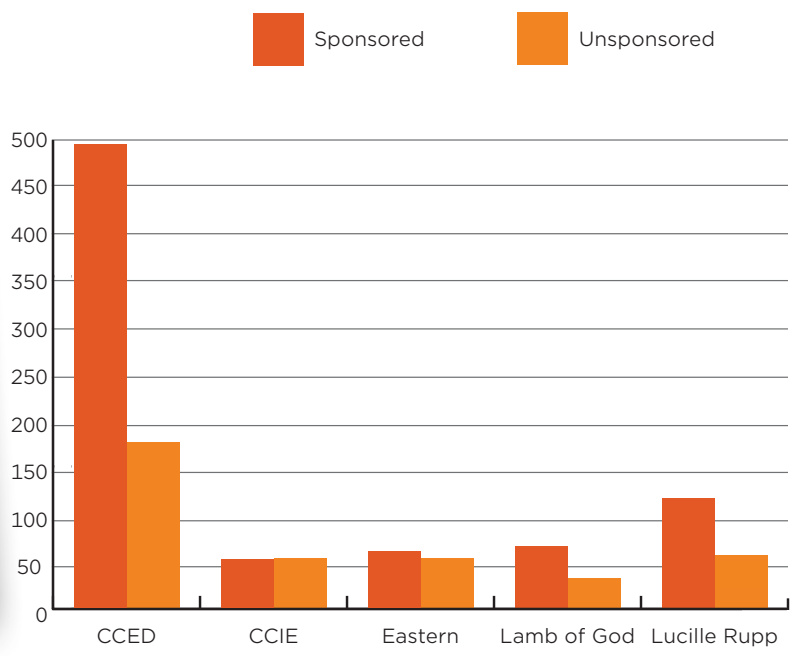

Located in the capital city of Santo Domingo in the community of Villa Esfuerzo, this school is directed by Alba Portes Diaz and offers preschool through grade twelve education.

Lamb of God School

Directed by Maria Magdalena Terrero and Ricardo Manuel Alcantara, this school is located near the Haitian border in Comendador, the capital city of Elías Piña. Education is provided for students in preschool through grade nine.

Lucille Rupp School

This school is directed by Larys Mateo and is located in the heart of San Juan de la Maguana. Classes are offered for students from preschool through grade twelve. Established by Evangelical Mennonite missionary Lucille Rupp in 1956, it is the oldest of the schools affiliated with SRI.

CHILD NUTRITION PROGRAM

The Child Nutrition Program (CNP) is a faith-based ministry that provides milk and nutritious foods to malnourished children along with health education for their caregivers. In addition, communities are instructed in the areas of food preparation, sanitation, and birth control methods to increase the reach and effectiveness of the program. In the early days of the CNP, staggering survey results showed that 50% of children in the area of San Juan de la Maguana, Dominican Republic, suffered from some degree of malnutrition. Due to its successful influence over the years, the program has since relocated to the more rural town of El Cercado where there is greater need. There are typically 100 children whose care is overseen by a nutritionist. Children generally receive care for approximately two years before graduating.

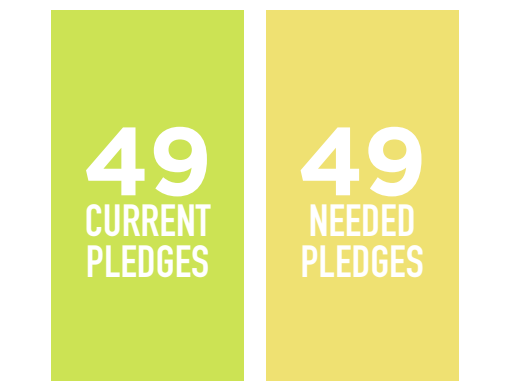

The CNP has positively impacted thousands of children in need since its inception in 1991. Thank you for your consideration of getting involved with this life-changing ministry. Your support provides crucial care and a brighter future for children who may otherwise be without hope.

TRANSFORMING LIVES

We Need Your Help

A monthly gift of \$45 to the CNP covers the expenses of one child in the program. More ongoing support is still needed!

How It Works

- Children are evaluated and enter the program based on their level of malnutrition.
- Children visit the clinic monthly to be weighed, evaluated, and to receive a supply of vitamins and milk.
- Regular home visits and health education are provided.
- Families pay a small fee to encourage a sense of ownership and investment.
- Physical therapy and additional medical attention are available as needed.
- A Bible-based literacy program is offered to give caretakers skills needed for an adequate job.

SPECIAL PROJECTS + EVENTS

VISION TRIPS

In 1976, Steve Shaffer made his first trip to the Dominican Republic. 2026 marked his 50th year of faithful service in the San Juan Valley. We are deeply grateful for his dedicated volunteer service and exceptional leadership in organizing and leading mission trips to the Dominican Republic. Through an unwavering commitment, compassion, and a servant's heart, Steve's leadership has made a lasting impact on countless lives and communities. During the first week of February, Steve guided a team through a meaningful journey down memory lane, remembering the faithfulness of God over the years and rejoicing in the work He continues to do today.

In May, we had the joy of celebrating our Dominican staff and the incredible blessing they are to the ministry of Solid Rock International. As a small token of our appreciation, each staff member received a bilingual parallel Bible, a bookmark featuring all of the books of the Bible in both English and Spanish, highlighters, pens, a pencil pouch, beef jerky, gum, and handwritten notes of encouragement.

A heartfelt thank you to everyone whose generosity made these gifts possible. Your kindness allowed us to encourage and honor a team that faithfully serves the Lord and others throughout the year.

DOMINICAN
STAFF APPRECIATION

Vision Trips are a unique opportunity to experience the mission and vision of Solid Rock International firsthand before leading a team. During these trips, participants build meaningful relationships with local communities, witness how God is working through the ministry, and gain a deeper understanding of the vision, culture, and impact of the mission field. Vision Trips are designed to encourage spiritual growth, provide insight into future team leadership, and help participants prayerfully discern how they can partner in God's work specifically in the Dominican Republic.
